DESIGNATION AS CRITICAL INFRASTRUCTURE SUPPLIER

As the Nation comes together to slow the spread of COVID-19, on March 16, 2020, the President issued updated Coronavirus Guidance for America. The guidance states that:

*"If you work in a critical infrastructure industry, as defined by the Department of Homeland Security, such as healthcare services and pharmaceutical and **food supply**, you have a special responsibility to maintain your normal work schedule."*

The federal Cybersecurity and Infrastructure Security Agency (CISA) provides strategic guidance, promotes a national unity of effort, and coordinates the overall federal effort to ensure the security and resilience of the Nation's critical infrastructure.

On March 19, 2020, CISA listed **ESSENTIAL CRITICAL INFRASTRUCTURE WORKERS DURING COVID-19 RESPONSE** to support federal, state, local, tribal, and territorial government response to Covid-19. To review the full list of Essential Critical Infrastructure Workers, visit <https://www.cisa.gov/identifying-criticalinfrastructure-during-covid-19>.

Food and Agriculture

Food manufacturer employees and their suppliers employees-to include those employed in food processing (packers, meat processing, cheese plants, milk plants, produce, etc.) facilities; livestock, poultry, seafood slaughter facilities; pet and animal feed processing facilities; human food facilities producing by-products for animal food; beverage production facilities; and the production of food packaging.

Employees engaged in the manufacture and maintenance of equipment and other infrastructure necessary to agriculture production and distribution.

American International Tooling, Inc. is a manufacturer of seamer tooling to the food and beverage industries. Therefore, is recognized by the U.S. Department of Homeland Security as **WORKERS ESSENTIAL CRITICAL INFRASTRUCTURE DURING THE COVID-19 RESPONSE** by the U.S. Department of Homeland Security.
